Narcotic Detection Certified Training Grounds

1. Must be operated by a Law Enforcement Agency.
2. Narcotic detection training grounds must be maintained and operated by a USPCA certified trainer. Resumes from each certified trainer will be submitted along with agency application.
3. Narcotic detection training must use real narcotics during the majority of training. During training, trainers may introduce Scent Logic or any other pseudo narcotic products, so that these products may be issued after completing the approved basic training to eliminate handlers carrying real narcotics for motivational training aids.
4. Narcotics used during the imprinting phase of the training must come from the group of narcotics or any certified derivative listed in the narcotics detector rules and regulations. Other narcotic odors may be trained as needed.
 - A. Marijuana
 - B. Hashish
 - C. Cocaine
 - D. Heroin
 - E. Methamphetamine
5. Approved training facilities should have the following areas available for specific narcotic training:
 - A. Buildings (office, schools, warehouses, etc) with a minimum of three rooms for room search testing
 - B. Vehicles (cars, trucks, etc) with a minimum of five vehicles for vehicle testing.
 - C. Other venues to include, but not limited to: Mass transit (buses, trains, boats and planes) and public arenas (stadiums, malls, theatres, convention centers, etc.)
6. In order to become certified, the applicant(s) must submit the application to the USPCA regional or district Executive Board. The Regional Executive Board must approve the application. A nationally certified chief judge must review and sign the application after inspecting the general areas claimed in the application. The application is then mailed to the chairperson of the National Training Grounds Committee. *See below
7. Certifications will be valid for five years. Renewal applications will be processed as original.
8. If the application is denied, the applicant will be notified within sixty days by the Committee Chairperson with a reason for denial.

9. Certification can be revoked or removed at any time for just cause after a full investigation and hearing by the USPCA National Executive Committee.

10. Certification cannot be used for personal gain to the general public.
