Explosives, IEDs and Boobytrap Awareness For K9 Handlers

August 5-6, 2025

Students will receive awareness-level training on explosives, IEDs, boobytraps and blast injuries. The course includes lecture-based learning, explosive demonstrations, a practical boobytrap exercise and the opportunity to work explosive detection canines on a variety of commercial, military and homemade explosives.

Registration, lodging and meals are **FREE** to SWORN NC law enforcement officers. Federal and out-of-state law enforcement officers who choose to stay on-site, pay a \$50.00 per night fee which covers lodging and three meals per day, payable to: **SAMARCAND TRAINING ACADEMY.**
