

TEAM#	<b>EXPLOSIVE DETECTION CROWD SCREENING</b>	JUDGE#
-------	--	--------

HIDE \_\_\_\_\_ WEIGHT \_\_\_\_\_ REGION \_\_\_\_\_

**Soak Time 30 minutes**      **Time limit is 15 minutes**      **Amount of time used** \_\_\_\_\_

Note: This phase is pass-fail. There is one venue and one hide. Three Judges are required for this phase. There will be a minimum of 15 "pedestrians" and a maximum of 40. Minimum includes the target decoy.

Description of target: \_\_\_\_\_  
(ie Name, gender, clothing, etc.)

False alert? \_\_\_\_\_ Defined as when the handler ID's a target who is NOT wearing any explosive.

Second False alert? \_\_\_\_\_ If yes, this is an automatic fail. Mark Pass or Fail here:

Care should be taken to ensure that the "pedestrians" have not handled any explosives and they should not be mingling with the target decoy until the actual testing. See testing rules.

*If a k9 team fails, they may be allowed to continue for practice purposes only at the discretion of the Chief Judge.*
